## Policies and Procedures

Smart Tuition has been contracted to process all payments under all of Faith Christian Academy's payment plans, and must be used to pay all tuition and fees. Smart Tuition is an automatic tuition payment system through which payments can be debited from a savings or checking account or charged to a credit card (subject to a convenience fee). FCA's school code is 13280, and new families can sign up at [www.enrollwithsmart.com](http://www.enrollwithsmart.com).

The Faith Christian Academy Past Due Tuition Policy states that if an account becomes past due by more than Thirty (30) days during the school year, the account must be brought current within ten (10) days or the student(s) will be removed. If necessary, special arrangements should be made with the Business Office *prior to* the tuition/fee due date.

Records or report cards will be withheld until all tuition and fees are paid.

## Variable Tuition

Thanks to generous donors and our successful fundraising campaigns each year, the cost of educating each student is offset significantly. FCA passes these savings along to *every* family, and each family's savings are varied based on financial factors. To maximize your family's benefit, applications may be submitted online at <https://smartaidtheforparents.com>. FCA will contact each applicant directly with the results, which may take a few weeks to process.

*Faith Christian Academy is a 501(c)(3) non-profit organization, providing academic, athletic, and spiritual excellence to students and their families since 1973.*
